**Lecture** by Havana-based Canadian attorney **Gregory Biniowsky**. Gregory is a Canadian lawyer and political scientist who has lived in Cuba for more than 20 years, and has a diverse background involving a multitude of for-profit and nonprofit endeavors, including teaching at the **University of Havana**, doing consulting work for foreign companies exploring or setting up ventures in Cuba, and working as a consultant for the **Canadian Embassy** and **United Nations** in Havana. Gregory presently works for the Canadian based international law firm *Gowlings WLG*, focusing on offering strategic advice, business intelligence, and venture options to prospective investors and companies, from around the world, who are looking at the Cuban market. Gregory will share his personal insights into Cuban society, the evolving political landscape, and the fast changing business and investment environment.
