

**LEGAL SUPPORT STAFF ASSOCIATION OF BERKS COUNTY
LEARN @ LUNCH PROGRAM**

The Legal Support Staff Association of Berks County is pleased to co-sponsor with the Berks County Bar Association an educational seminar entitled, "**Why Would Anyone Go through the Trouble of Maintaining Control in Their Estate Planning?**" presented by **Paul L. Marrella, J. D., CFP®, CLTC, RICP®.** If you've been working in law long enough, you've probably encountered a situation and wondered how things got so complicated. Inevitably, there is an underlying reason why someone went through such trouble. That, however, is not the issue. This presentation will provide you with both a better understanding why something might have to be done, as well as how you can help provide solutions. Topics will range from account registrations to the difference in how probate & non-probate assets are treated, all the way to trusts. This interactive workshop will discuss not only the rules, but practical applications for them. The goal is to make you a more valuable part of your team.

[Please note that this presentation will provide 1.0 hours of CLE to attorneys who attend.]
